The last ladder results, new ladder, ladder rules and contact list are all available on the Highgate Web Site (<http://www.highgate-cltc.co.uk/competitions.html>).

As always the first two months of a new ladder tend to be a quiet time when you can get on court very quickly and the final two months are when you often have to queue for an hour, so if you don't enjoy queuing I would suggest you start playing your matches now. The court schedule showing when courts are free is here (<http://www.highgate-cltc.co.uk/facilities.html>)

The first 3 divisions will continue with the 2 set plus championship tie-break format. If you would like your scores to be submitted to the LTA for your rating then both players must agree to that before the match is played. You can then send me the score.

A number of people who enter the ladder decide they want to drop out in the middle of the ladder period (e.g. due to injury), and then expect that they can reenter in the following session in the same Division. This is not allowed. Please read the Ladder Rules on the web site that are clear about this. I will allow people a 3 week period, from now, to inform me if they don't want to be in the current ladder; after that you are in, so please decide now.

Any questions then please e-mail me.
